

# QUESTIONNAIRE GUIDELINES

After your dive, please fill out the following sections:

## PERSONAL DATA

Surname	Name	Age
Address (street, n, post code, city)		
E-mail		

## DIVE DATA

Diving point *		
Closest populated area *	Province *	
Diving Center - School		
Date of the dive *	Maximum depth (m) *	Depth of maximum permanence (m) *
Water temperature (°C)	Actual bottom time (minutes) *	Dive starting time (0-24) *
In which habitat did you spend most of your dive? (indicate only one) * <input type="checkbox"/> sandy <input type="checkbox"/> rocky <input type="checkbox"/> other		

If you dived in various habitats (e.g. rocky and sandy bottom), please indicate the one in which you spent most of your dive. The check box "other" includes wrecks, docks, artificial construction, etc.

**\*Required information:** questionnaires with missing data in the fields marked with an asterisk (\*) will be excluded from the data processing.

## MEDITERRANEAN KEY SPECIES

Please mark with a cross the organism that you observed during the dive, giving an estimate number for each species

	RARE	FREQUENT	ABUNDANT
<b>1- VEGETALS</b>			
1/A - mermaid's wine glass ( <i>Acetabularia acetabulum</i> )	<input type="checkbox"/> up to 100 specimens	<input checked="" type="checkbox"/> up to 1000	<input type="checkbox"/> more than 1000

For species not represented in the questionnaire, please check the box "other" in the corresponding group (vegetals, sponges, corals, etc.)

	RARE	FREQUENT	ABUNDANT
<b>1- VEGETALS</b>			
1/A - mermaid's wine glass ( <i>Acetabularia acetabulum</i> )	<input type="checkbox"/> up to 100 specimens	<input type="checkbox"/> up to 1000	<input type="checkbox"/> more than 1000
1/B - sea rose ( <i>Peyssonnelia squamaria</i> )	<input type="checkbox"/> up to 10 specimens	<input type="checkbox"/> up to 100	<input type="checkbox"/> more than 100
1/C - Neptune grass ( <i>Posidonia oceanica</i> )	<input type="checkbox"/> one hortus, up to 100 m <sup>2</sup>	<input type="checkbox"/> one meadow, up to 1000	<input type="checkbox"/> one prairie, more than 1000
<b>other vegetals</b>	<input type="checkbox"/> up to 50 specimens	<input checked="" type="checkbox"/> up to 500	<input type="checkbox"/> more than 500

**If you did not see an organism specified in the questionnaire, please leave that part empty.**

IN CASE YOU HAVE ANY DOUBTS, PLEASE REFER TO YOUR GUIDE, DIVEMASTER OR INSTRUCTOR.

## FAQs

### Where do I find the questionnaire?

PRINTED VERSION:

Please send a request via e-mail to [info@DUEproject.org](mailto:info@DUEproject.org)

or find it at the Diving Center near you [www.dueproject.org/en/partners/](http://www.dueproject.org/en/partners/)

OR

DIGITAL VERSION:

Please download PDF version or fill-out directly online [www.dueproject.org/en/questionnaire/](http://www.dueproject.org/en/questionnaire/)

### How many questionnaires can I fill out after each dive?

Each questionnaire refers to a single dive only.

### Can I update a questionnaire after another dive?

After each dive you need to fill out a new questionnaire.

### How many questionnaires can I fill out at the same diving site?

The number of questionnaires you can fill out is unlimited.

### How do I send the filled out questionnaires?

BY POST to the following address:

Divers United for the Environment

Marine Science Group, Department of Biological, Geological and Environmental Sciences

University of Bologna, Via F. Selmi, 3, 40126 Bologna – Italy

We suggest to fill-in the photocopies of the questionnaire. Make sure to keep the two parts attached (e.g. double-sided page; two separate pages stapled together)

OR

BY EMAIL:

[questionnaires@DUEproject.org](mailto:questionnaires@DUEproject.org) Each filled out questionnaire should be sent separately.

For any questions or information please write us at [info@DUEproject.org](mailto:info@DUEproject.org)
