INTRODUCING HYDROS PRO

THE ABILITY TO CHANGE ANYTHING,
CHANGES EVERYTHING.

Hydros Pro transforms with every dive. A breakthrough in comfort and customization, you're free to change the color, fit, accessories, and even the weight system, from integrated weights to a lightweight Trav-Tek harness. Easily pack an entire dive kit on your back with the compact design and custom backpack. Wherever you take it, Hydros Pro's Monprene®, molded construction means ultimate durability and near perfect fit—ideal for any diver and any dive.

Available in various colors, 4 Men's and 3 Women's Sizes
